Welcome To

Ginyard International School

Shaping Leaders for a Global Tomorrow

At Ginyard International School, we are committed to delivering a high-quality education that integrates both the Indonesian National Curriculum and international standards, such as the Rimberio Curriculum. Our goal is to develop well-rounded students, nurturing their minds, bodies, and spirits through a balanced and holistic approach to education.

From Junior High School to Senior High School, our diverse and inclusive campus provides a supportive environment that promotes:

- **Academic Excellence**
- **Character Building**
- **Global Citizenship**
- **Physical and Emotional Wellbeing**

Our Vision

To become a leading international school that shapes future global citizens with integrity, innovation, and a strong sense of character.

Our Mission

Our mission is to educate every student in a nurturing and dynamic environment where the combination of national and international curricula fosters critical thinking, creativity, and cultural awareness. We strive to cultivate lifelong learners who are prepared to succeed in a rapidly changing global society.

Core Values

Global Standards

We provide a curriculum that blends national and international frameworks to offer the best of both worlds.

Cultural Diversity

Our school community celebrates diversity in ideas, perspectives, and backgrounds.

Holistic Development

We focus on the intellectual, emotional, and social growth of every student, encouraging them to realize their full potential.

Innovative Learning

Through project-based learning and modern technology, we foster skills that promote critical and creative thinking.

Character and Responsibility

We instill values of responsibility, empathy, and active contribution to both local and global communities.

At Ginyard International School, we look forward to partnering with families to help shape students who are not only academically capable but also prepared to make meaningful contributions to the world.

Faculty and Staff

Our faculty consists of dedicated and experienced educators, many of whom hold advanced degrees and certifications in their respective fields. Their expertise spans both national and international standards, ensuring that each student receives the highest quality education.

Extended Care Program

Available from 7:00 AM to 5:30 PM on school days, offering a safe and enriching environment before and after regular school hours.

A Legacy of Excellence

Since its founding in 1985, Ginyard International School has established itself as a leading institution, known for its excellence in combining the Indonesian National Curriculum with Borcelle International Standards. Our graduates are consistently among the top achievers, recognized for their academic performance and leadership in high schools and universities worldwide.

Our Programs

At Ginyard International School, we offer a comprehensive and balanced curriculum designed to foster the intellectual, emotional, and social development of each student. Our program integrates the Indonesian National Curriculum with the Borcelle International Curriculum, ensuring that students are prepared for both local and global academic challenges.

Junior High School Education

Our Junior High School program is designed to foster a love of learning in an engaging and supportive environment. Through interdisciplinary learning and practical applications, students build on foundational skills and develop critical thinking, collaboration, and problem-solving abilities.

Our curriculum focuses on

- **Advanced Language Development** and critical reading skills
- **Intermediate Mathematical Concepts** and analytical thinking
- **Social-emotional growth** through group projects and discussions
- **Physical and Health Education** with a focus on fitness and teamwork activities
- **Global Awareness and cultural understanding** through diverse subjects and community involvement

Senior High School
Grades 10-12

The Senior High School years are designed to build on students' foundational knowledge and prepare them for higher education or career pathways. Our program emphasizes advanced academic exploration, critical thinking, and independence through a comprehensive curriculum.

Our program includes

- **Core Subjects**
  Advanced Language Arts, Mathematics, Science, Social Studies, and Ethics
- **Global Perspectives**
  Integration of global themes and international standards through the Rimberio framework
- **Specialized Electives**
  Options in Art, Music, Physical Education, Technology, and Vocational Studies
- **Character and Leadership Education**
  A values-based approach to promote ethical growth and leadership skills
- **Project-Based Learning**
  Fosters creativity, collaboration, and real-world problem-solving skills through in-depth projects

Individualized Instruction

We recognize that each student is unique. Our teachers use differentiated instruction methods to cater to varying learning styles and abilities. Small group and one-on-one support are provided where necessary to ensure that every student meets their full potential.

Technology Integration

In keeping with our commitment to preparing students for a rapidly evolving world, we integrate technology throughout the curriculum. Classrooms are equipped with interactive boards, and students have access to digital tools that enhance learning. Coding, robotics, and digital literacy are introduced early, laying the groundwork for future academic and career success.

Extra-Curricular Activities And Student Life

At Ginyard International School, we believe that education extends beyond the classroom. Our extra-curricular activities are designed to provide students with opportunities to explore their interests, develop leadership skills, and build lifelong friendships. These programs play a crucial role in shaping well-rounded individuals who are not only academically strong but also socially engaged and physically active.

Clubs and Enrichment Activities

We offer a variety of clubs and activities that cater to the diverse interests of our students. Each club is designed to encourage creativity, teamwork, and the pursuit of personal passions. Some of the most popular clubs include:

STEM Club

Engaging students in hands-on science, technology, engineering, and mathematics projects

Art and Design Club

Allowing students to explore their artistic talents and experiment with different media

Art and Design Club

Developing students' confidence and performance skills through acting and stage production

Music Ensemble

Encouraging students to express themselves through musical instruments and performances

Sports and Physical Fitness

Physical activity is an essential part of our curriculum, helping students develop healthy habits and teamwork skills. We provide a range of athletic programs that encourage students to stay active and challenge themselves in a supportive environment. Sports offered at Ginyard International School include:

Basketball **Soccer** **Swimming** **Track and Field** **Badminton** **Gymnastics**

These programs not only promote physical health but also help students develop important life skills such as discipline, resilience, and cooperation.

Service to Others

Ginyard International School places a strong emphasis on community service, aligning with our mission to cultivate responsible and empathetic global citizens. Students participate in various service projects throughout the year, both within the school community and in the wider world. Our service programs include:

Environmental Initiatives

Encouraging sustainability practices through recycling, tree planting, and energy conservation projects

Charity Drives

Organizing donations for local shelters, orphanages, and disaster relief efforts

Volunteer Programs

Offering students opportunities to volunteer at local community organizations

Leadership Opportunities

We believe that every student has the potential to be a leader. Our Student Council provides students with the chance to take on leadership roles, represent their peers, and contribute to the school community. Through the Student Council, students learn how to organize events, work collaboratively, and develop important leadership skills that will serve them throughout their lives.

Facilities And Learning Environment

Ginyard International School is proud to offer state-of-the-art facilities that support the academic, physical, and emotional development of our students. Our campus is designed to create a safe, engaging, and inspiring environment where students can thrive both inside and outside the classroom.

Classrooms

Our classrooms are equipped with the latest educational technology, including interactive whiteboards, projectors, and individual access to digital devices such as iPads and Chromebooks. Each classroom is designed to foster collaboration, creativity, and a love of learning, with flexible seating arrangements and learning stations that accommodate different teaching and learning styles.

Library and Media Center

The school's library is a hub of knowledge and research, offering an extensive collection of books, digital resources, and online databases. Our Media Center is designed to develop students' research skills and encourage a lifelong love of reading. Students have access to a wide range of materials, from fiction and non-fiction books to magazines, journals, and e-books, in both English and Bahasa Indonesia.

STEM Lab

The STEM (Science, Technology, Engineering, Mathematics) Lab at Ginyard International School is a cutting-edge facility where students can engage in hands-on learning experiences. From robotics to coding and from scientific experiments to engineering projects, our STEM Lab fosters curiosity, problem-solving, and innovation. Students are encouraged to apply what they learn in the classroom to real-world challenges, preparing them for the future of work in a rapidly evolving global landscape.

Art and Music Studios

Our Art and Music Studios provide students with the opportunity to explore their creative talents. The Art Studio is equipped with a variety of media and materials, allowing students to express themselves through drawing, painting, sculpture, and digital art. The Music Studio, on the other hand, is home to a range of musical instruments and recording equipment, offering students the chance to compose, perform, and record their own music.

Outdoor Learning Spaces

We believe that learning doesn't just happen inside the classroom. Our outdoor learning spaces provide students with opportunities to explore nature, engage in hands-on environmental education, and participate in outdoor activities. The campus includes:

- Gardens where students learn about sustainability and environmental stewardship
- Outdoor Classrooms for lessons that connect students with the natural world
- Recreational Areas for physical play and social interaction

Sports Facilities

Physical fitness is an important aspect of life at Ginyard International School. Our campus includes:

- Basketball and Volleyball Courts
- Soccer Field
- Gymnasium
- Swimming Pool
- Playground and Outdoor Activity Areas

These facilities are used for both structured physical education classes and after-school sports activities, promoting healthy living and teamwork among students.

Safety and Security

The safety and well-being of our students are of paramount importance. The school is equipped with comprehensive security measures, including surveillance cameras, controlled access to the campus, and a dedicated security team to ensure that all students and staff are safe at all times.

Admissions And Enrollment

At Ginyard International School, we welcome families from diverse cultural and educational backgrounds. Our admissions process is designed to be transparent, inclusive, and supportive, ensuring that all students who meet our academic and behavioral standards are given the opportunity to join our community.

Admissions Process

The admissions process at Ginyard International School involves several steps to ensure that we provide the best fit for each student and family. These steps include:

01 Inquiry and Tour

Prospective families are invited to schedule a tour of our campus to learn more about the school's philosophy, curriculum, and facilities. During the tour, parents can meet with faculty and staff to discuss their child's individual needs and expectations.

02 Application

After the initial inquiry, families can complete the application form available on our website. The application includes basic student information, previous academic records, and details about any special learning needs.

03 Assessment

All applicants are required to undergo an academic assessment to evaluate their readiness for the Ginyard curriculum. This assessment helps us understand each student's strengths and areas for growth, ensuring that we can provide the right level of support.

04 Interview

Following the assessment, parents and students will be invited for an interview with the school leadership team. This is an opportunity for the family to ask questions and for the school to assess the student's fit within the Ginyard community.

Requirements for Enrollment

To enroll at Ginyard International School, students must meet the following requirements:

- Completed application form
- Copies of previous school reports or academic transcripts
- Results of any standardized testing (if applicable)
- Two passport-sized photographs
- Health records, including up-to-date immunization records
- Copy of birth certificate or other legal identification

International Students

As an international school, we are proud to welcome students from around the world. Ginyard International School supports international families by offering assistance with visa applications and ensuring that the transition into our school community is smooth. We provide additional English language support for non-native speakers to ensure that all students can fully participate in the academic program.

Scholarships and Financial Aid

Ginyard International School is committed to making high-quality education accessible to a broad range of families. We offer a limited number of scholarships and financial aid packages based on academic merit and financial need. Families interested in applying for financial aid should contact the admissions office for more information on the application process and deadlines.

Parental Involvement And Community Engagement

At Ginyard International School, we believe that education is a partnership between the school and the home. We actively encourage parental involvement and provide numerous opportunities for families to engage with the school community. We understand that a strong relationship between parents and the school fosters a supportive environment that contributes to the success and well-being of our students.

01 Parental Involvement

Parents are an integral part of the Ginyard community, and we provide several ways for them to be involved in their child's education, including:

Parent-Teacher Association (PTA)

The PTA organizes events, fundraising activities, and volunteer opportunities that bring families together to support the school's goals. It also serves as a platform for open communication between parents and the school administration

Classroom Volunteering

Parents can volunteer to assist teachers in the classroom, participate in field trips, or support school events. This involvement helps build a strong connection between the school and home life.

Parent-Teacher Conferences

Regularly scheduled conferences allow parents to discuss their child's progress, share concerns, and collaborate with teachers to support the student's academic and personal growth.

02

Community Service

Community engagement is a core part of the Ginyard philosophy. We believe in instilling a sense of responsibility and empathy in our students by encouraging them to give back to their community. Each year, students participate in various service projects, such as:

Charity Drives

The school organizes food, clothing, and toy drives to support local shelters and orphanages.

Environmental Clean-Up Initiatives

Students work together to clean local parks, beaches, and neighborhoods, learning the importance of environmental stewardship.

Service Learning Projects

Integrated into the curriculum, service learning projects allow students to apply their academic knowledge to real-world problems, developing a deeper understanding of social responsibility.

03

Partnerships with Local and Global Organizations

We actively seek partnerships with local and global organizations to enhance the educational experience of our students. These partnerships provide opportunities for collaboration on projects, internships, and exchanges, exposing our students to new perspectives and ideas. Current partnerships include:

Local NGOs and Charities

The school organizes food, clothing, and toy drives to support local shelters and orphanages.

Local NGOs and Charities

Collaborating on community service initiatives and environmental projects.

Global Educational Networks

Participating in international student exchanges and global learning programs to broaden students' horizons.

Important Dates

Campus Tours and Open House

Held every first Saturday of the month. Prospective families are welcome to visit and explore the school's facilities.

Fostering Excellence and Global Citizenship

Aaron Loeb, M.Ed.
Headmaster

At Ginyard International School, we are committed to nurturing the whole child — academically, socially, emotionally, and spiritually. Through our blend of the Indonesian National Curriculum and the Rimberio International Curriculum, we offer a unique and holistic education that prepares students to thrive in an increasingly interconnected world.

We take pride in the strong sense of community within our school, where students are encouraged to be creative, compassionate, and critical thinkers. Whether in the classroom, on the sports field, or through service to others, Ginyard International School provides students with the tools they need to succeed and make meaningful contributions to society.

We invite you to join us on this exciting educational journey and become part of a school community that values both tradition and innovation. Together, we can help your child reach their full potential and become a future leader in a globalized world.
